2006 February Fitness Challenge

It was another great year for the FFC. The Tualatin Hills Barracudas would like to thank each of you who participated this year. Congratulations also, your commitment to fitness is evident. As Ian Redpath said last year, ***“I really prefer your (February) Fitness Challenge because it brings out your best efforts over a substantial period”***. The Barracudas believe this to be a true statement. A month long commitment requires so much additional dedication. You have shown that dedication.

355 swimmers swam 11,649 miles and did millions of flip turns. When it was over the **Wildcat Masters** came in first with the Most Swimmers (41). **Wilkes Barre Family YMCA** and **Indy Swim Fit** tied for second with 37 swimmers each. Just behind the top three but with great numbers were **Rochester ORCA Masters** with 33 and **BAM** with 30 swimmers. **Indy Swim Fit** defended their Most Yardage title with 2,018,095 yards which is 32.76 miles per swimmers - WOW!

Kathleen Davison set a new record in Womens 25-29 division. Her record of 218,100 yards surpassed the former record held by **Lisa Hazen** of Sunnyvale, California.

We were impressed with the number of teams and the active support that many coaches gave to the program. John Sfire, set his team on “fire” with the FFC this year. He gave his Rochester Swim Club Orcas the challenge of swimming 1,750,000 yards. A spreadsheet posted daily at the pool tracked their total yardage. After 28 days the Orcas had totaled 1,841,540 yards. Way to go! Orca team member **Ellen Youngers** put it this way: ***“We have a great group and it was lots of fun. Our coach (John Sfire) kept everyone going and kept the spreadsheet...also adding to the group goal by getting in to swim on Tues/Thurs when he could. We were surprised we beat the goal, since our ‘Spiritual leader’ Vince Herring can only go for a record setting number every few years or it would kill him! Vince went over 425,000 last year, and completed over 200,00 this year. Everyone else stepped it up to make the goal...getting more and more excited as the month progressed and we realized how it was going.”***

Lynn Wells, Coach of BAM (Bainbridge Aquatic Master) in Washington, also had a big month of swimming from her swimmers. They created the 100,000 yard club and for the first time had four swimmers reach that goal. The Team is awarding each 100,000 yard member with a custom shirt. In April BAM will be competing in the PNA Championships and I know they will be in shape.

Kris Houchens, Head Coach of Indy Swim Fit, had another great performance from her Team this year. Her comment: ***“Our group enjoys this event each year, thanks for your efforts”***. The Barracudas say: we applaud Indy Swim Fit for another great team effort this year.

Jimmy Bynum, Aquatic Director of Hills Fitness Center in Texas sent this message: ***“Thanks for putting on this race again this year. Lilly Thompson has been trying to get our group to do this for years. She finally succeeded”***. Thank you Lilly for talking your team into doing the FFC this year.

Susan Cox of the Wildcat Masters in Kentucky told us about their TOP TEN Club. The Wildcats Award the top ten swimmers in the FFC. This year it took over 50,000 yards to make the top ten. Susan indicated that those 10 have already been given their awards. THB passes on their Congratulations to them also.

It was so positive to the Barracudas to see the fun and enjoyment that so many people got out of the FFC. Swimmers are special people. We enjoy training, we enjoy being fit and we truly enjoy each other. FFC brings us altogether.

A few notes from pool side:

Ian Redpath, writes from Australia about his physical trials but his positive attitude. In November of 2005 he was involved in a serious accident which crushed his left hip. After 3 and a half weeks in the hospital and 7 weeks of therapy he was able to return to the pool. Gradually he was able to work up to 5 K a day. While he was not able to equal his record tying effort of last year, he did win his age group with an outstanding effort of 157,300 yards.

Jewell Grigsby-Martin, our record setter in the 65-69 and 70-74 Age Groups wrote that we had her age wrong last year. We apologize for that Jewell. Jewell states: ***“Next year I elevate to the group 75-79. I’ll cut back even more but I do intend to set a new record for lthat age group if I remain healthy”***. Jewell, the way you are swimming you are going to stay healthy and THB wishes you the best of health in the coming year. We are looking forward to your new record next year.

Allen T. (a first timer) wrote: ***“Thanks so much. It was a great experience”***.

Edward Borella, wrote that his FFC ended for him on February 21, when he had a total knee replacement. We want to wish him well on his recovery and assure him that “Bionic Knees” are legal in the FFC. We are looking forward to his participation in 2007.

Kristi (a long time Barracuda), now living in Maine wrote: ***“I miss you all terribly!”***. Hey Kristi we miss you too but the FFC is a great way for all of us to stay in touch. Let’s get some more Maine swimmers in the FFC next year.

And the transition to our 2006 FFC Dedication comes with the comment, ***“Happy Baby”***, which was sent by **Joanne Wainwright** in Alaska.

The Barracudas dedicate the 2006 FFC to Kristine Lewis, our long time FFC Event Director. Kristine’s first child is due any time. There wasn’t a single Barracuda who didn’t agree that having a baby took precedent over being the FFC Event Director. Kristine did try to count her FFC yardage as double since she claimed she was swimming for two. That was a first for the Rules Committee but we did deny that request. Isn’t that great about swimming. Kristine can keep on staying fit throughout her pregnancy. Although she will admit that doing flip turns did become her real challenge in February. Seriously, THB is so indebted to all the work through the years that Kristine has done for THB and for the FFC. She is the role model of a dedicated team member. I have sent her so many emails about what to do and how to do it that at times I am sure she thinks that she should have just continued running the FFC. We look forward to seeing the little one, we thank you for everything you have done and we dedicate the 2006 FFC to you. Stay healthy, stay fit and keep on swimming. That last sentence is for Mom, Dad and new child. THB loves you Kristine.

Special Thanks:

Jon Schieltz, who did all the data work and produced the written reports for the Results booklet. This was a major task and Jon did a superb job.

Chris Toole and Nancy Radcliff who did all of the data checking.

Darlene Staley who created the workout calendar for the web.

Alison Moore who did all the design work for the Logo, T shirts and Certificates.

Rachel Skoss, a Barracuda, now back home in Perth, Australia who coordinated the Australian entries.

Sean Swain, the THB Webmaster, for his “web work”.

All of the Barracudas who helped with the “Mailing Party”

Kristine Lewis, who answered all of our questions and showed us the way.
